

article#	4307520
article description	Lamp PCE Maxi LED 108W 10600lm 2xsocket IP54 red
description long	power/voltage: 108W / 220-240V~ (50-60Hz) lighting current/light color: 10600 lm / 5000 Kelvin dimensions: (WxHxD): 378 x 505 x 165mm cable: 5m H07RN-F 3G1,5 with safety plug housing / color: 2-component plastic/rubber, red-black IP-rating: IP54 incl. 2 pcs. safety socket with hinged lid (backside) and ON/OFF switch
GTIN (EAN)	9003399346880
country of origin	DE
customs number	94054940
net weight	4.300 kg
packaging quantity	1
minimum order quantity	1

ETIM 10.0	EC000346
Lamp type	LED not exchangeable
Housing material	Plastic
Nominal voltage	220 – 240 V
With socket outlet	True
Degree of protection (IP)	IP54
Max. system power	108 W
Rated luminous flux according to IEC 62722-2-1	10600 lm
Colour of light	White
Colour temperature	5000 – 5000 K
Conductor cross section	1.5 mm ²
Connection type	Other
Length of connection cable	5 m
